

# Gabriel Ifeanyi

## Junior Software Developer

Rivers State, Nigeria | +2348132887088 | [zealgabriels@gmail.com](mailto:zealgabriels@gmail.com) | [LinkedIn Profile](#) | [GitHub Profile](#)

### PROFESSIONAL SUMMARY

I am a highly motivated and detail-oriented Software Developer with a strong foundation in software development, coding, and project management. Recently concluded an intensive training through the ALX Africa Software Engineering Bootcamp, specializing in Front-End Development. Skilled in programming languages such as JavaScript, Python, and C, and experienced in developing responsive web applications. I am eager to extend my knowledge to learn and develop entry-level technical and professional skills in software development which will boost my confidence as a newbie to software engineering.

### AREA OF EXPERTISE

- **Programming Languages:** JavaScript, Python, C (With HTML5, CSS3)
- **Frontend Frameworks & Libraries:** React, Next.js, TypeScript
- **Web Development Skills:** Responsive Design, Web Accessibility, UI/UX Design, Mobile-First Development
- **Tools & Version Control:** Git, Webpack, npm
- **Collaboration Tools:** Trello, Jira, Asana, ClickUp, Slack
- **Software Development Principles:** Agile Methodology, Code Review, Debugging, Test-Driven Development (TDD)

### SOFT SKILLS

- Exceptional communication- Both written and verbal
- Strong analytical and problem-solving abilities
- Team collaboration and adaptability
- Critical thinking and creativity in tackling complex challenges
- Eagerness to learn and apply new technologies

### KEY ACHIEVEMENT

- **Collaborative Web Revamp:** I contributed to the redesign and feature enhancement of Market Square Supermarkets' prepared food and pizza ordering platform, improving user experience and order efficiency.
- **E-Commerce Growth:** I played a key role in launching Market Square Supermarkets' e-commerce website, working alongside software developers to ensure a seamless online shopping experience.
- **Innovative Web Design:** I partnered with developers to design a mobile-first, responsive e-commerce platform, aimed at elevating customer satisfaction and driving growth for Market Square Supermarkets.

### PROFESSIONAL EXPERIENCE

#### Nibbles Bakery Frontend [Project](#)

Frontend Development Trainee and Product Management Officer

February 2024 - June 2024

- I collaborated in a development team to create the frontend of the Nibbles Bakery online platform using React, HTML, CSS, and JavaScript.
- I developed responsive web pages and implemented UI components to ensure seamless user experience across devices.
- I assisted in testing and debugging the website, ensuring high performance and cross-browser compatibility.

#### Market Square Online Shopping Platform [Project](#)

Product Management Trainee

2021

- I supported the development of the Market Square Supermarkets online grocery platform, focusing on user-friendly design and functionality.
- I gathered user feedback and collaborated with the development team to implement feature updates and improvements.
- I coordinated with stakeholders to align project goals with business needs, contributing to the successful launch of the platform.

### EDUCATION

#### BSc Business Administration (2<sup>nd</sup> Class Upper Division)

Delta State University, Nigeria

June 2018
